

View My Continuing Education Credits

Your continuing education (CE) credits are displayed below. View your completed programs by clicking on "expand".

If your programs aren't listed or there are any discrepancies with the information listed, you will need to contact your CE provider directly. Common reasons for missing CE include:

- You may have provided an incorrect PTIN or name to the CE provider. Contact your provider to confirm they have your correct PTIN and name.
- Your provider may not yet have sent the data to the IRS. If you provided your correct PTIN and name to your provider and your completed program(s) is not displayed here, contact your provider.
